#### Overview of the moving to high school process

The Year 6-7 expression of interest allows you to select up to three preferences besides your local high school, and the process has three rounds that take place over the course of a year. Below are the key dates you need to be aware of.

Note: The expression of interest closes on 19 Mar 2021. Please make sure you complete and submit the expression of interest before that date

#### March 2021

#### Submit expression of interest

You complete the expression of interest form and return it to your primary school. They will review and pass on the expression of interest to your local high school, and if applicable, to your first preference school.

When completing the form, you will be required to provide your child's residential address. The primary school may get in touch with you if there are differences between the information you provide and the information the school has on record.

Incorrect information may result in your expression of interest being withdrawn and any decisions made by high schools based on incorrect information may be reversed.

June 2021

At the end of Round 1

If you have selected your local high school only:

Your local high school has been sent your expression of interest and they will contact you shortly.

If you have selected any out of area high schools: Your first preference school has been sent your expression of interest. They will assess, and if you are successful, the school will contact you to inform you of the next steps. In this event, you will not receive offers from any other schools that are lower in preference.

If you are unsuccessful, the school will let you know. They may place you on a waiting list and will inform you if a place becomes available. Your expression of interest will be forwarded to your next school.

•

July 2021 At the end of round 2:

Your second preference school will have assessed your expression of interest.

If you are successful, the school will contact you to inform you of the next steps. In this event, you will not receive offers from any other schools that are lower in preference.

If you are unsuccessful, the school will let you know. They may place you on a waiting list and will inform you if a place becomes available. Your expression of interest will be forwarded to your next school.

If you did not put a second choice on your expression of interest, then your local high school will be informed and they will be in touch with you.
