Biggest Morning Tea – Monday 29 May

Thank you to all staff, students and their families who participated in our Biggest Morning Tea on Monday. We have raised over \$500 for the Cancer council. Unfortunately, all our lives have been touched by cancer in some way. It is very special when we come together as a community for such a worthy cause.

Our Sporting Success Continues!

In the past two weeks our senior students have competed in the PSSA statewide knockout competitions for soccer, basketball, cricket and touch football. Soccer, cricket and touch football are all into the next rounds with more games to come.

Last Monday, 32 students from LCPS competed in the Lower North Coast Cross Country Carnival. Four students have qualified to compete at the North Coast Carnival later this term.

Well done to all students who have represented our school, thank you to all coaches and team managers and finally a big thank you to parents who transport and support their children to have these wonderful opportunities.

External Validation (EV) – Term 3

EV is a process that all schools complete every four years. EV provides an opportunity for schools to discuss their judgements about their practice – and the evidence that underpins them – with a panel of peers.

The school assesses its practices and processes against the School Excellence Framework in the domains of Learning, Teaching and Leading.

The Executive team have been busy preparing the required evidence and justification throughout this semester to be submitted at the end of Week One, Friday July 21st.

The Executive team will then meet with a panel of Department of Education personnel on Tuesday 8th August to present the EV. From this meeting future directions for the next School Improvement Plan are established.

Amani Farm Excursion – Friday 2 June

Both the Supported Learning classes enjoyed a farm excursion last Friday. The students interacted with many different farm animals and had a brilliant day together accompanied by many parents. Supported learning are going to raise baby chicks that will then be housed in a chook pen the local Lions Club are building for the school.
