CHRISTMAS HAMPER

As part of our Christmas celebrations the P&C would like to raffle Christmas hampers full of goodies.

We need your help!

To make up the prize for the raffles we are asking for donations.

Ideas could include chips, biscuits, bottles of drink, poppers, crackers, Christmas decorations, party goods, lollies, chocolates and more.

You may already have something in your cupboard at home.

All donations can be sent to the office and placed in a collection tub. For every donation provided the children will receive a raffle ticket to be in the running for an ice block at the canteen drawn on a Monday morning.

Tickets will be \$1 each or 12 for \$10
All money raised will go towards supplies for our classrooms.

Thanks for your support. ☺

Drawn on Thursday 13 December

Extra raffle tickets are available from the school office.

Uniform shop is open on Tuesday 8:30-9:15 am & Thursday 2:30-3:00pm

Canteen is open on Monday, Thursday & Friday

Student Banking is on Tuesday

EXTERNAL VALIDATION – A TIME TO REFLECT AND CELEBRATE

As part of our ongoing school planning, self-assessment and reporting cycle Lake Cathie Public School was selected in 2018 to undertake an external validation. This involved the school reflecting on the impact of the school plan, making decisions for the future and assessing against the School Excellence Framework (a document is used by all NSW public schools to support continuous improvement).

Over the past couple of months, all staff have collaborated to gather evidence that supports the great work being done across the school. The executive team has since collated and analysed the evidence to create a substantial submission to the panel that will visit our school next Tuesday 6th November 2018. Nine different evidence sets have been developed covering projects and aspects of our school that make us unique. These include: quality professional learning, wellbeing and welfare, extra-curricular, community connections, future-focused learning, curriculum, transitions, aboriginal education and leadership/systems/processes. The panel will visit for 2 hours and discuss the submission with the executive team. They will also visit a few classrooms and view a dance group.

This process has been valuable in identifying areas of strength and future directions. On Tuesday 30 October, Mrs Bailey, Mrs Haleblian and Mrs Haste presented an overview of the external validation submission to the P&C. In terms of planning for the future of the school, this reflection process has identified the following areas relating to connecting with the community:

- An increase in the ability of students to articulate their learning, especially with new future-focused learning spaces and a further development of growth mindset;
- Measuring the impact of continuous improvement and be responsive to growing needs and feedback;
- Obtain regular feedback from the community about school performance and the success of improvement measures undertaken within the context of the school plan's strategic directions.

HEALTHY HAROLD POPS INTO LAKE CATHIE PUBLIC SCHOOL

Last Monday 22 October 2018, 7 students from 2/3H participated in a media launch event for the new pop-up classrooms for Life Education. The new classroom provides a flexible learning environment and enables Life Education to reach out to more schools across NSW. The event was shown in local newspapers and was a feature on Prime 7 news. Students really enjoyed seeing Harold pop into the playground for a quick 'hello'. The Life Education van will be back in 2019 to provide their regular health and wellbeing programs to all students.

WORLD TEACHER'S DAY – CONGRATULATIONS MRS AINSWORTH!

Friday 26 October 2018 was World Teacher's Day. Each year the Department of Education celebrates the day with different events across the country. Teachers across the mid-North Coast were honoured at a special event held at Little Fish Café. Bernadette Ainsworth, our fabulous Teacher-Librarian, was acknowledged with an award for her commitment and dedication to public education. Congratulations Mrs Ainsworth!

YEAR 3 AND 4 – PREPARING FOR CAMP

In a few weeks students in Year 3 and 4 will be heading off to The Great Aussie Bush Camp at Tea Gardens. A final note with information for parents/carers to complete as well as a list of equipment to bring has been sent home this week.

PARENT & TEACHER INTERVIEWS

Over the past 3 weeks parents and teachers have met to discuss student progress and achievement throughout 2018. It is at these meetings that we are able to forge strong connections between the school and home environment, supporting our students to become the best that they can be. Leading up to interviews, teachers spend time analysing student work samples and assessment data in order to share accurate details of learning, as well as social and emotional wellbeing, with parents and carers. Going to an interview with your child's teacher shows your child that you are interested in their learning and their life at school. It is also an opportunity for you to share information about your child. Thank you to all parents, carers, teachers and students for connecting with each other through this process.

SEMESTER 2 REPORTS

All teachers are currently preparing Semester 2 reports which will come home with students on Thursday 13 December 2018. School reports are a snapshot in time of students' learning. An A-E scale is used to report student academic achievement against the outcomes for their stage of learning: Kindergarten – Early Stage 1, Year 1 and 2 – Stage 1, Year 3 and 4 – Stage 2 and Year 5 and 6 – Stage 3. Teachers spend a considerable amount of time in the weeks leading up to reports assessing student work and demonstrated skills against the syllabus for their stage of learning. A process of editing and proofreading ensures that parents and carers receive the most accurate image of their child's learning as possible.

The A-E Scale Explained

The Common Grade Scale describes performance at each of five grade levels.

A The student has an extensive knowledge and understanding of the content and can readily apply this knowledge. In addition, the student has achieved a very high level of competence in the processes and skills and can apply these skills to new situations.

B The student has a thorough knowledge and understanding of the content and a high level of competence in the processes and skills. In addition, the student is able to apply this knowledge and these skills to most situations.

C The student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of

competence in the processes and skills.

D The student has a basic knowledge and understanding of the content and has achieved a limited level of competence in the processes and skills.

E The student has an elementary knowledge and understanding in few areas of the content and has achieved very limited competence in some of the processes and skills.

HALLOWEEN DISCO K-2

On Thursday night (31 November) the children in Kindergarten to Year 2 were invited to the Halloween disco in the school hall from 4:30-6pm.

Woolworths provided support to the disco offering to provide a packet of chips and a popper for all the children as well as an amazing table of fresh fruit.

Thank you Woolworths at Lake Cathie for supporting our school.

A total of \$461.00 was raised from this fun event and the money will go towards school resources for 2019.

Thank you to the fantastic P&C volunteers for assisting with the decorations, money collection, fruit and food serving and selling glow sticks.

Thank you to the staff that stayed back after hours to provide supervision, organise the games and dance the night away.

Thank you to our three girls that were the fabulous DJ's in the sound room. You were fabulous!

KINDERGARTEN ORIENTATION - A SMOOTH TRANSITION TO 'BIG SCHOOL'

Last week our 2019 Kindergarten students and families spent an exciting morning at Lake Cathie Public School as part of the school's transition to school program. Parents and carers were engaged in an information session and showcase of excellence where they heard about literacy and numeracy learning in the early years. A fashion parade and entertainment led by our current Kindergarten students was enjoyed by all. In the classrooms, the 2019 students enjoyed a morning of rotational activities that provided a 'taste' of what school will be like. Over next few weeks there will be some 'drop in' sessions for 2019 students to continue to learn about their new school. Thank you to the Kindergarten teachers, Mrs Bailey and Mr Garven for leading this event and welcome to our new families and students!

ICAS MATHS

Some of our students have participated in the ICAS competitions run by University of New South Wales. The competitions, run in over 20 countries, are an independent, skills-based assessment program, which recognises and rewards student achievement. Congratulations to the following students on their awards in the Mathematics Competition.

Ben Spencer and Tyler Little received Distinctions, which places them in the top 11% of students who participated – Wonderful effort!

Bus Pass Applications

School student applications for 2019 open from Monday, 15 October 2018.

Students progressing to year 3 and year 7 do not need to re-apply if they:

- are continuing at the same school
- are residing at the same address
- have not been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

If students need to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2018 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2018, the system will automatically cancel a card and a new one will need to be issued.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from Busways.

Bus pass applications can be submitted online from the following link. If your application is rejected due to living within the walking distance radius, please contact the school office on 6584 8060 for assistance.

STAGE 3 CAMP MYUNA BAY

Stage 3 certainly had a fun time when they went to Myuna Bay Sport and Rec Camp in week 1 of this term, running, jumping and paddling their way through the week. Their fun and exciting activities included: Archery, High Ropes, The Giant Swing, Kayaking, A Group Challenge Course, Raft Building (Lots of Mud involved with that one) and Rogaining! Everyone enjoyed themselves, and there were happy faces all throughout the dormitories (apart from when there were one of Mr Hayward's room inspections, haha!). Overall it was a great success and made even better with the onsite pool and night shows! Thank you to Mrs Cowan, Mrs Watson, Mr Haywood and Mrs Sewell for taking us!

WELCOME TO GO4FUN

Go4Fun

Healthy • Active • Happy • Kids

Dear parent,

Go4Fun is a healthy lifestyle program for children aged 7 to 13 years, who are above a healthy weight. Best of all it's **absolutely FREE**.

WHEN DOES GO4FUN RUN?

Go4Fun runs for 10 weeks after school or on weekends during the school term, and children attend a fun filled 2 hour session each week with their parent or carer.

WHAT DO WE DO AT GO4FUN?

Every week the children will be involved in fun and interactive games and activities to get their heart rates up and enjoying being active.

Each week you and your child will learn about healthy eating, setting goals, portion sizes, label reading and more. The program also includes a supermarket tour where you get to put everything you've learnt into practise.

START UP PACK

Your child will receive a start-up pack including a:

- Go4Fun backpack,
- Go4Fun t-shirt,
- Go4Fun water bottle, ball and wristbands.

Your child will also earn up to **3 bonus attendance rewards** over the ten Go4Fun sessions.

Parents receive a \$15 fresh fruit and vegetable

voucher for each session you attend, plus a folder full of weekly session information, activities, recipes and more. Plus you will receive a practical Meal Mate cup to help with portion sizes and a Detective Card to help decipher nutrition information on food packaging. Parents receive a report on their child's progress and health improvements following Go4Fun.

WHAT RESULTS ARE WE LIKELY TO SEE?

Since Go4Fun began in July 2011, we have helped more than 300 children and their families across the Mid North Coast to lead fitter, healthier and happier lives. Our results show that on average, as a result of the program, Go4fun children now:

- have a reduced waist circumference
- eat more fruit and vegetables each day
- drink less soft drink
- are more active and meet the physical activity guidelines
- spend less time in sedentary activities
- have improved self-esteem

WHAT DO PAST PARTICIPANTS THINK OF GO4FUN?

"I think by far the reason Chloe did so well in Go4Fun was she was being taught from a source other than me. She was given knowledge and she began to make choices to be healthier. This is a lesson that I believe will last both of us throughout our lives. The leaders made it fun to learn about good nutrition and regular physical activity and we all enjoyed doing active games together, even the parents."

"Go4Fun will be something I will remember forever, and Chloe will too. I cannot recommend the program highly enough to any parent thinking of joining. Give it a try it could change your lives." **Sue, Port Macquarie**

"Even though we knew the nutrition and exercise information before we started, it's helped us so much."

Matilda is not only healthier but so much happier, with a boost in self-esteem and confidence. She misses Go4Fun and always looks forward to catching up with the others from her group." **Tracey, Coffs Harbour**

ENROL TODAY!

Registrations for Term 4, 2018 programs are now open with limited places available in our Port Macquarie, Wauchope, South West Rocks, Nambucca Heads and Coffs Harbour. We'd love to welcome you and your child into a Go4Fun program and encourage you to secure your place.
