STAFF PROFILES

Our teaching team in Early Stage 1 (Kindergarten) includes: Ms Trish Gray, Mrs Katy Haste and Mrs Jane Egan.

Our teaching team in Stage 2 includes: Mrs Karin Haleblan, Mr Jay Pringle and Mrs Hayley McCleary.

Our teaching team in Stage 3 includes: Mrs Kelly Cowan, Mrs Carin Bohlscheid, Ms Alicia Watson and Mrs Annette Bailey.

These teachers meet regularly, often daily, to carefully consider where the needs of all students in their classes, and across the Stage, are to be met. They share teaching strategies, resources, assessment strategies and methods of providing meaningful feedback to students. They are highly organised and motivated and are seen quite often having loads of fun with their students.

GRANDPARENT'S DAY

The school was absolutely packed to the rafters this week when students and teacher's opened the doors for our annual Grandparent's Day event. It was a joyous occasion with classes presenting singing and dancing items to a full hall over nearly 300 visitors! Open classrooms afterwards enabled our visitors to learn alongside their grandchild.

A huge thank you to Mrs Forster and Mrs Drury for their planning, organisation and leadership of this large school event. The day was a huge success and even the rain held off until everything was finished! 'Ask Gran not Google' was an added initiative tied into this day to encourage students to ask their grandparents questions about life in the past rather than simply 'Googling' information. Personal stories of histories are important ways that people connect and in this digital age, it is critical that we remind younger generations of the value of stories and understanding where we came from.

Thank you also to Mrs Ainsworth for organising and running the book fair. The library was brimming with eager students and visitors keen to shop for literary gifts. We would like to sincerely thank those visitors that purchased and donated books to the school library. Your generosity will benefit all students.

YEAR 6 GRADUATION DINNER

The Year 6 Graduation Dinner will be held on Monday 17 December, 2018 at the Lake Cathie Bowling Club.

Year 6 Students, Year 6 parents and carers along with school staff will come together to celebrate our students finishing primary school.

Please RSVP and make payment by Monday 3 December, 2018 to the school office.

We look forward to a very special evening.

STUDENT LEADERSHIP TEAM

Year 5 students have moved through the nomination phase of our 2019 Student Leadership election process and are preparing their speeches ready to present to the school.

Our current school leadership team have been working with the Year 5 nominees to mentor and support them during their preparations for the leadership speeches on Monday 10 December 2018.

BAND 2019

We would like all existing band members to continue with our band and form next year's Senior Band, embarking on new music and greater numbers of performances during the year. Band Camp this year was fabulous and our Lake Cathie Public School students who went significantly progressed in their playing.

Expressions of Interest, including instrument preferences, for our Junior Band for 2019 will be handed out at our band information night being held on Thursday 6 December at 5.30pm in the Band Room (near the office). If you are unable to attend, these notes will be available from the office. This is for students starting next year for their first year in band. This is a very exciting time for our young, budding musicians.

STUDENT REPORTS

Semester two reports will be sent home on Thursday 13 December. Our teachers have spent considerable time assessing and measuring student performance both against the syllabus outcomes and in relation to the peer/age group your child is in. To achieve a 'Sound' grading, your child has achieved the necessary outcome for their current stage. That is:

Early Stage 1 – Kindergarten

Stage 1- Year 1 and Year 2

Stage 2 – Year 3 and Year 4

Stage 3 – Year 5 and Year 6

In Stages 1 to 3, students have two years to achieve the necessary outcomes. However, as with all groups of students, results can also be below or above stage expectations. Please read your child's report carefully and make sure you are positive with your comments, especially if they have had high Application gradings. A high Application grading means your child is working to the best of their ability, regardless of the outcomes they have achieved.

PAIR READING

The Rotary Club of Laurieton donated funds towards the purchase of the PAIR Reading program for Kindergarten Transition and Kindergarten 2019.

The 2019 kindergarten students have enjoyed reading these exciting books with their parents as part of our transition program.

What is PAIR?

Parent Assisted Immersive Reading (P.A.I.R.) is an at-home read-aloud program that accelerates reading readiness in young children.

It is designed for use with students in their first year of formal schooling. Its benefits are dramatic, broad-ranging and long-lasting.

The program involves parents regularly reading aloud to their child while at the same time engaging them in meaningful conversation about the book. P.A.I.R. storybooks are specifically designed for this purpose.

They come with vital prompts, tips and questions that allow parents to effectively enrich each reading session.

P.A.I.R. books capture a child's interest from the start. Illustrations are bold and colourful, the stories wholesome and adventurous.

The Benefits

- Develops literacy skills overall.
- Accelerates reading readiness.
- Promotes a love of reading and a positive attitude to school and learning.
- Fosters reading comprehension.
- Expands vocabulary.
- Develops social awareness.

Empowers parents by teaching them a potent way to engage their child in reading.

Promotes positive school-home relationships.

FIRST LEGO LEAGUE

On Tuesday 20 November, Lake Cathie Public School competed at the First Lego League Coffs Harbour Regional Competition held at Toormina High School. Our two teams had been preparing for the four elements of the competition; Robot Game, Core Values, Research Project and Robot Design under the guidance of Mrs McCleary since last term. Both teams performed extremely well at the competition and should be proud of their efforts.

One of our teams was awarded the 'Teamwork Award' for excellence in communication and problem solving in a team environment. This is an award to be very proud of! We all had a great deal of fun and learned many things from the other teams on the day.

I would like to give a special mention to Kaidee McKerrow for travelling with us to the competition.

MY COLLEGE RULES KITCHEN RULES

On Monday 26 November, 24 students from 5CB travelled to the Hastings Secondary College Westport Campus to compete in the annual My College Kitchen Rules cooking competition. 12 teams of students organised their own recipe and ingredients for the event and had a Year 10 high school student assisting in the cooking process. Every team was successful and presented their culinary creations to the judges, enjoying their hard work in the high school cafe afterwards. The winners of the competition were Declan Hall and Tristen Harris. Well done, boys!!!

The Great Aussie Bush Camp

Activities

There were lots and lots of fun activities, but I liked the giant swing the most. Other activities were canoeing, low ropes, disco, archery, beach, sand dunes and county fair. We did them on separate days, like Monday: canoeing, low ropes and a disco. Tuesday: sand dunes, beach and county fair. Thursday: archery and giant swing.

by Gabby

Great Aussie Bush Camp

When we were on one of the buses to go to the sand dunes, Reid and I ate our whole apples. On the giant swing I kept pulling on the rope to go down but it wasn't working. But on the fifth time it worked and then I fell.

by Harlen

The Giant Swing

Yesterday my fiends and I went to the Great Aussie Bush Camp. We went on the 18 metre tall GIANT swing and it was really scary. You got pulled up and then you pull a little rope and you swung. The giant swing was really fun.

by Ben

The Great Aussie Bush Camp

On Monday, Tuesday and half of Wednesday we went to the Great Aussie Bush Camp! My favourite activity was the giant swing and it was 17 metres high. We also learnt a song. 'All them milkshakes, sticky, sticky waffles, mozzarella pizza, all the veges, all the eggs are broken, but that was really nothing.' I loved the staple climb and canoeing too.

Grandparents Day

Last Wednesday saw the students at Lake Cathie Public School welcome their grandparents for what turned out to be a wonderful morning. The weather forecast looked ominous but we beat the rain and the new classroom delivery and came together to present a variety of Christmas themed songs and dances to our special guests.

Students loved having the opportunity to show off their classrooms to their grandparents. Multiple generations took part in a variety of activities ranging from interview sessions to finger knitting, allowing children and adults alike to spend time together chatting and exchanging stories.

Grandparents are a vital link in our school community. Many take a daily role in our students' lives while others enjoy their grandchildren from further afield. These relationships are special and at Lake Cathie Public School we love having the opportunity to show you how much we appreciate your support.

Thank you so much for joining us for our biggest Grandparents Day celebration to date. We hope you enjoyed it as much as the teachers and students did. If you think you would like to volunteer your time to help our students, even for a short time each week, please let us know. In the spirit of community and sharing it is always wonderful to be able to provide some extra time for reading and building social skills to our children.

Years 3 – 6 Pool Day

Students in Years 3-6 will be participating in a fun, end of year activity travelling by bus to Kendall Pool. The day will involve a variety of supervised activities: the aqua scramble, pool activities and free swimming time. To ensure the children's safety, all students will be tested on arrival at the pool. All non-swimmers and poor swimmers will be required to wear a wrist band indicating their swimming ability. We are looking forward to spending time with the students as we end our year together.
