EDUCATION WEEK OPEN DAY

Thursday 8 August

9.30am Assembly
10.45pm Morning Tea
11.30am Open classes

All families welcome!

NAIDOC WEEK ACTIVITIES

On Tuesday 2 July, we will be starting our NAIDOC activities. NAIDOC week celebrates the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC week is celebrated by all Australians and is a great opportunity to learn more about Aboriginal and Torres Strait Islander communities.

The theme for 2019 is 'Voice, Treaty, Truth'.

A special assembly will begin at 8.45am and will be followed by a rotation of activities. Families are certainly welcome to join us.

Please also see the information in this newsletter regarding NAIDOC Week activities in the Hastings Region.

NORTH COAST CROSS COUNTRY

Congratulations to Locke Williamson, Brenton Mance and Ben Spencer for their outstanding efforts making it to the North Coast carnival last week in Nana Glen, west of Coffs Harbour. Reports back state how well the boys performed, even after the Dance Festival late the night before.

ATTENDANCE AT SCHOOL REMINDER

After analysing our attendance records for 2019, I would like to highlight that students with 15 full or partial days absence in a semester, if repeated for each semester, means a whole year absent from school between Kindergarten and Yr 6. The law states that attendance at school is compulsory for academic social/emotional, cultural and physical wellbeing and development. As listed on student reports, an increasing number of students are showing large numbers of days absent from school. This is not related to sickness or approved leave for family travel, it is relating to the large number of unjustified absences from school. The Department of Education's Home School Liaison Officer in our area has been informed of students at risk. Please also remember that all absences are marked justified or unjustified on our official attendance rolls.

HASTINGS VALLEY COMMUNITY OF SCHOOLS CEREMONY OF EXCELLENCE 2019

The Hastings Valley Community of Schools (HVCS) will host the annual Ceremony of Excellence during Education Week – 2019, on the evening of Tuesday 6th August. The focus of this year's ceremony is to recognise significant academic, cultural or sporting performance of nominated students from Year 3 to Year 12. Each school will nominate students to receive an Award of Excellence for a specific focus area. Each school already excels in recognising students for their performance, participation, spirit and citizenship throughout the year with countless ribbons, certificates, awards, trophies and rewards systems.

The HVCS Ceremony of Excellence, hosted at the Glasshouse, will recognise those students from each school for their outstanding academic, cultural or sporting performance. The evening will also showcase a small but select number of performances including quality solo or ensemble items to complement the presentation of awards.

Invitations to parents of students nominated to receive awards have been sent home to recipients. Invitations will contain details of the awards night as well as ticketing information. Tickets will be complimentary for all parents of students receiving awards and/or performing on the night.

The HVCS looks forward to celebrating the achievements of this group of students who are representative of our very successful Public Schools in the Hastings Valley Community of Schools.

NATIONALLY CONSISTENT COLLECTION OF DATA

As mentioned in previous years, students with a confirmed disability, physically or mentally, are required to be identified on a National data collection register called the NCCD. Details of personal information are held confidentially in line with national privacy regulations and are used to assist Government initiatives and support mechanisms for students with a disability. Collection of this data is finalised early next term. This process is conducted by the Principal, counsellor, class teachers and the Learning and Support teacher. No action is required by parents. If you have any questions about this process, please call me at school.

STUDENT REPORTS

Next week all students will take home their Semester One reports. Teachers have been working very hard to ensure the information presented in the reports is a quality reflection of your child's academic ability, social competencies and overall commitment to school life. Teachers make professional judgements based on assessment data and daily observations as well as through collaborative meetings with grade partners, about the grades students will achieve in each Key Learning Area.

The reports will explain what the students have been expected to learn and how well they have achieved this. The NSW syllabuses state what students at each stage are expected to learn. The overall achievement grading scale describes how well students have achieved these expectations at this point in time.

Achievement grades are only one aspect of school reporting to parents. Other important aspects include the student's effort and application. Be sure to read carefully the teacher's general comment as this will provide an insight into the student's overall commitment to learning.

If you have any questions about your child's report please don't hesitate to make contact with the classroom teacher by arranging an appointment through the front office.

DANCE FESTIVAL 2019

What an amazing week at the Dance Festival last week. Our students were sensational with huge thanks to the staff involved in their preparation. Mr Pringle, once again, created energetic, powerful, professional routines for our dance groups and we have received an enormous amount of congratulations for the performances of our students. A big thank you goes out to the many staff behind the scenes for their spirit and support. Videos will be sent to the school and we will send out information about how to order. A reminder that official photography of individuals and groups from LCPS can be found on the NashysPix website for purchase. <https://nashypix.com/categories/schools>

VOCAL ENSEMBLE PERFORMANCE AT HEALTHY TOWNS EVENT

What an exquisite performance by our Vocal Ensemble under the direction of Mrs Harris and Mrs Cady! Our students performed for a large gathering of local residents and special guests as part of the final presentation of Healthy Towns grants to community groups in our Lake Cathie area. Well done Vocal Ensemble. We will see and hear them next at our Education Week Open Day on Thursday 8 August at school.

REMINDER SCHOOL SUPPLIES

The school holidays are a good time to check your child's pencil case and top up any items (lead pencils, pens, colour pencils, textas, whiteboard markers, erasers and glue sticks) that may have run out. Some classes have exhausted their supply of stored excess items from the beginning of the year.

LIFE EDUCATION PROGRAM

We are all really looking forward to the visit of Healthy Harold, Leanne Goggin and the Life Education van next term. This is an incredibly important program for all of our students. The program does not attract ongoing funding from government and through donations it is subsidised to assist families to access the Health and Personal Development lessons we love each year. If not already done, please make sure you send in payment for this whole school activity.

WEBSITE UPDATES

We are constantly adding to our resources and information on our [School Website](#). Please visit this location for newsletters, online payment options, fact sheets and galleries of events happening throughout the year.

FAREWELL ROGER MIKA OUR ETHICS TEACHER

A heartfelt thanks to Roger Mika who has for several years, provided Ethics classes both at Lake Cathie and Hastings Public Schools. He moves back to live in Sydney so that he can be close to all of his grandchildren. He would like me to also encourage parents or grandparents, who have the time, to volunteer to be Ethics Teachers in our school. Training and lesson materials are all provided and the rewards are numerous.

Insulated Lunch Bags
available from the
Canteen \$10.00 each
(cash only)

Calling for volunteers – we need your help!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires a volunteer School Banking Co-ordinator to facilitate the banking and distribution of School Banking rewards. This only takes a small amount of your time one day a week and the Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising.

Currently, School Banking day is Tuesday.

If you are interested in volunteering for this great program, please fill in the tear off section below and return it to the school office.

Yes, I would like to help with School Banking!

Managing your digital shadow

i This factsheet explains how you can manage your online reputation.

“ What you do online today could impact you into the future. What does your digital shadow say about you?

When you post or send something online, you can lose control over who sees it and what they do with it. You may never be able to permanently delete an image or text, so it is important that before you send something, think about what you are sending and where it might end up.

Here are a few things to consider before pressing send:

DO YOU KNOW WHO YOU ARE SENDING IT TO?

You might be tricked into thinking you are communicating with a friend, but can you ever be sure that it is only them? Not everyone online is who they say there are.

DO YOU KNOW WHAT THEY WILL DO WITH IT?

Even if you are sure who is on the other end, can you really trust them? Relationships can breakdown over time, so while you might be happy for someone to have your image or video today, tomorrow might be a different story.

Claim your second Active Kids program \$100 voucher

Active Kids allows parents of school-enrolled children to claim two \$100 vouchers to use towards sport and active recreation costs each year.

This year, the first voucher was available to claim in January. A second voucher will be available via [MyService NSW](https://www.myservice.nsw.gov.au) on 1 July 2019. Both vouchers expire on 31 December 2019.

Parents can use the vouchers at a [registered activity provider](#).

In the first 18 months of the program, more than 1 million vouchers were redeemed and \$100 million saved in fees and sports registration costs.

NSW Treasurer Dominic Perrottet said these household savings have contributed to a spike in registrations across NSW.

“The NSW Government is doing everything we can to help ease the cost of living for families, and by adding a second \$100 voucher we hope to see parents being able to keep their kids active all year-round,” Mr Perrottet said.

Minister for Sport John Sidoti said another voucher for kids is another win for families in NSW.

“Just as the second Active Kids voucher provides even greater opportunity for children to participate in sport and active recreation, it reduces costs for hard working families,” Mr Sidoti said.

[Apply for an Active Kids voucher on Service NSW](#)
