P&C EXECUTIVE FOR 2020

A huge congratulations and thank you to the 2020 P&C Executive:

President	Rebecca Bouldin
Vice President	Mary-ann Grant
Secretary	Linda Barnett
Treasurer	Roger Bussell

These amazing leaders of the P&C will assist staff in taking on the challenges of learning for all of our students during this unprecedented time and will also lead the journey out the other side with activities and community connections to help us back to whatever our new normal will be.

Uniform shop is open on Tuesday & Thursday 2:30-3:00pm

Canteen is open on Wednesday & Friday

Student Bar Tuesday

School Office Hours 8.15am - 3.15pm

OUR SCHOOLS ARE OPEN

On 23 March 2020, the Premier announced that schools are open. However, parents have been encouraged to keep their children at home wherever possible with schools providing the same unit of work for all students whether they are on or off site. As is always the case, NSW Public Schools will accept any public education student who arrives at school requiring supervision. This is our clear message for the community. We will ensure that every student that comes to school is made to feel welcome.

Already, student attendance rates at school have fallen to around 15%. The change in pattern of school attendance will make social distancing more manageable while maintaining school operations.

We will be adhering to all Department of Education and Department of Health directives and we will communicate any changes as they arise.

Our staff have worked extremely well together to create an Education Continuity Plan. This plan will evolve over coming weeks as we assess the uptake and effectiveness of the plan. All staff have been involved including our Teachers Aides and Office Staff. From the framework stage based program, the creating of Google Classrooms for each stage, collaborative creation of lesson content, videoing of resources, uploading, accounts and passwords, right through to the copying and packaging of the starter packs. What a team effort. Then the phone calls and emails for clarification or just a walk-through of how to launch the online platform. Just fantastic! Thanks for all of the great parent feedback. Our staff are so appreciative of the support.

Our school will be adopting a flexible workplace roster for our staff whilst ensuring the continuity of school operations. We are being directed to consider and manage the risk for those in the teaching profession that are in the "At Risk" category in relation to their own health requirements or that of their children.

We have arranged a face-to-face and work-at-home model to support all of our teachers and support staff. With between 30-40 students at school currently, this is entirely manageable and of course, designed to support the needs of our staff and their children too.

SERVICES NOW CLOSED

Canteen

Uniform Shop

Student Banking

A huge thank you to our parent volunteers who man the Canteen, the Uniform Shop and Student Banking. Also a massive thanks to Kylie in the canteen who is working very hard to "work-down" the canteen with fresh produce etc and what can be kept until a future reopening.

DATES TO REMEMBER

Thursday 9 April

Last day of term

Tuesday 28 April

Students return to school for Term 2

GATE CLOSURE REMINDER

Please remember that gates will be closed to all motor vehicles during the following times

Recess (10.45am - 11.15am)

Lunch (1pm-1.45pm)

If you are coming to school during these times you can park to the right of the gates and walk in.

Mindsets for Learning Update

As you are aware, our goal for 2020 in the area of wellbeing is for our school to continue to build a caring school community that supports and promotes a growth mindset, where students and staff are engaged in learning and challenged to become successful citizens who are resilient, caring, tolerant and inclusive of others.

The last 'Mindsets for Learning' update talked about fixed and growth mindsets and how they can help to change destructive patterns, enabling children to lead a happy and fulfilled life, full of lifelong learning and limitless potential. Now is a crucial time to be supporting, teaching and modelling these mindsets.

Over the last few weeks, students and teachers have been working through understanding each of the 'Mindsets for Learning'. This was created using our SPIRIT acronym:

Strive to Succeed

Proud and Persistent

Inclusive and Understanding

Resilience and Courage

Integrity and Respect

Together we Thrive

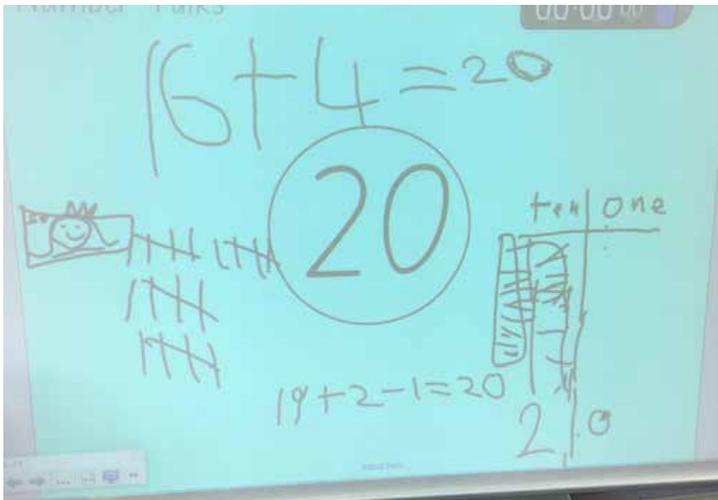

Last update we shared some detail about 'Striving to Succeed' and being 'Proud and Persistent'.

<p>Inclusive and Understanding</p> <ol style="list-style-type: none"> 1. I can be accepting. 2. I can be collaborative.. 3. I can be considerate and encouraging. 	<p>Students have been learning to be inclusive and understanding by accepting each other and differences, learning to work collaboratively and to be considerate and encouraging of others and themselves. Learning about inclusivity had a strong focus on what it meant to be a 'good' friend and how to manage difficult situations when friendship groups have disagreements. When we work collaboratively, everyone in the group gets a turn to speak and have a go. As a group member we must ensure everyone's voice is heard and respected but we all must understand that sometimes OUR suggestion isn't the one the group uses.</p>
<p>Resilience and Courage</p> <ol style="list-style-type: none"> 1. I can self-regulate my emotions. 2. I can learn from feedback. 3. I can be brave. 	<p>Resilience and courage are mindsets that are learnt best through experiences. Students worked through role-plays and scenarios with their teachers and peers to 'unpack' feelings and actions. The ability to self-regulate emotions is an essential component of 'Mindsets for Learning' as we all need to develop the ability to give and receive feedback (both good and constructive) to further improve our learning. Students explored the ideas behind 'Austin's Butterfly'. The video is well-worth watching and the concept can be applied to all areas of learning.</p> <p>https://vimeo.com/38247060</p>

<p>Integrity and Respect</p> <ol style="list-style-type: none"> 1. I can be kind and caring. 2. I can be honest and reliable. 3. I can be responsible and organised. 	<p>Kindness, honesty, reliability, responsibility and organisation skills are transferrable future-ready skills that are valued by employers and society in general. These are also mindsets that are best learnt through experiencing them. There are so many ways to support students improve these skills. Teachers and students spent time understanding exactly what it means to have integrity and be respectful. These are difficult concepts for children but are certainly skills they intrinsically have and can demonstrate.</p>
<p>Together We Thrive</p> <ol style="list-style-type: none"> 1. I can make a difference. 2. I can celebrate success. 3. I can build positive relationships. 	<p>Unfortunately, explicit teaching of our last 'Mindset for Learning' has been interrupted by our global crisis. We encourage parents and carers at home to think about this last and essential mindset, which is highly appropriate right now for our students and families! There is so much we can still do from home or for our community and we still have lots of celebrate. Over the past few weeks, teachers have been incredibly proud of how our students and families have adjusted to new challenges. Everyone is encouraged to focus on the positive relationships between family members, look for ways to make a difference by helping out at home and showing gratitude towards each other.</p>

Next term, our learning from home as well as our learning at school programs will go deeper in the 'Mindsets for Learning' and we will keep families updated via the Newsletter.

In the meantime, if you have examples of students demonstrating positive thinking mindsets, we would love for you to share them with us.

School Sport for Stage 2 and 3

In line with the NSW Department of Education's strategy, all sports have been postponed for the remainder of Term 1.

PSSA trials and team knockouts

All district trials, team knockouts, Cross Country and the Netball Gala have been cancelled for this term. We will endeavour to inform you as soon as possible of the new proposed dates next term that these activities will be rescheduled to. If your child is unable to attend the new date or a new date is unable to be arranged, refunds will be organised through the school office.

Larger sporting events have been cancelled until further notice. This includes the State Swimming Carnival.

Bus Pass Applications

Applications for 2020 School Student Transport Scheme (SSTS) travel entitlements are now open. If your application is rejected due to living within the walking distance radius, please contact the school office on 6584 8060 for assistance.

CANTEEN news

Lake Cathie
Public School

OUR SCHOOL TUCKSHOP IS NOW ONLINE!

Download the free app or access www.myschoolconnect.com.au/lakecathieps

In line with the latest information by the NSW Dept, our Canteen has been closed until further notice.

We will keep you informed as to when we will reopen.

Meal Deal Day has been postponed until next term. All current orders will be held over until a new date is advised.

Your Expression of Interest is due
on Friday
Year 6 into Year 7 2020

ABSENT NOTICES

We are following the advice from the Premier and are asking parents to support the overall health of the state by keeping children at home if you are able.

If you choose to keep your children at home please inform the school via either the Sentral Parent Portal or via email. These are the preferred methods so we have them in writing.

Although we do support your decision we need to have this recorded correctly in our system.

We can mark them absent for the period you are requiring, so you will not have to contact us daily.

Thank you for your understanding during this ever changing time.

Year 7 2021 Open Night **HASTINGS SECONDARY COLLEGE**

ACTIVITY: Come and explore the next century learning opportunities offered.

Join our staff and students in meeting other families for a BBQ and refreshments afterwards.

Monday 11 May, 6pm
Westport Campus: School Hall, Westport Campus, Friday Avenue, Port Macquarie, (02) 6583 6400

Wednesday 13 May, 6pm
Port Macquarie Campus: School Hall, Port Macquarie Campus, Owen Street, Port Macquarie, (02) 6583 1844

In the interest of CHILD SAFETY there is NO EXCUSE for disobeying traffic control signs and Road Rules in the vicinity of a school. Please read and understand the following traffic controls around your school zone.

NO STOPPING

Under no circumstances are you permitted to stop on a length of road to which a NO STOPPING sign applies.

(Penalty: \$344.00 + 2 demerit points) each time you disobey a NO STOPPING sign.

NO PARKING

You are permitted to stop in a NO PARKING zone only while you are engaged in dropping off or picking up passengers. You must not stop for more than two minutes. You must stay within three metres of your vehicle.

(Penalty: \$191.00 + 2 demerit points) each time you disobey a NO PARKING sign.

BUS ZONE

You are not permitted to stop in a BUS ZONE unless you are driving a bus.

(Penalty: \$344.00 + 2 demerit points) each time you stop in a BUS ZONE.

CHILDREN'S CROSSING

You are not permitted to stop within 20 metres before the crossing and 10 meters after the crossing.

(Penalty: \$457.00 + 2 demerit points) each time you stop on/near a children's crossing.

DOUBLE PARKING

A driver must not stop on a road between the centre of the road and another vehicle that is parked at the side of the road.

(Penalty: \$344.00 + 2 demerit points) each time you double park.

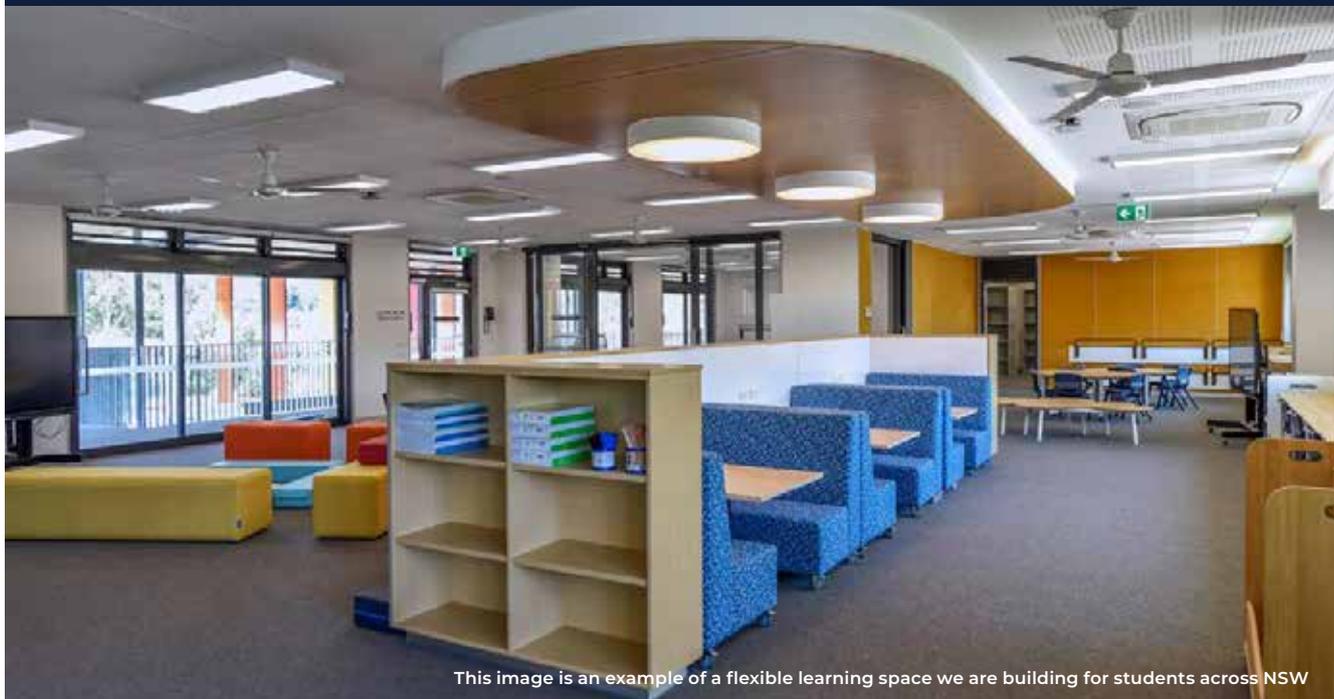

THE COST OF TAKING YOUR CHILDREN TO SCHOOL DEPENDS ENTIRELY ON YOU

School Infrastructure NSW

Changes to how we communicate

March 2020

This image is an example of a flexible learning space we are building for students across NSW

The health and safety of our students, staff and community is our priority.

We are temporarily changing some of the ways we keep you informed about our project in your community to account for social distancing measures.

How we will keep you informed

Until further notice we will:

- No longer knock on your door to talk about your local project. We will instead provide this information in a 'door knock notification' delivered to your letterbox
- Continue to deliver project updates and works notifications to your letterbox
- Share information with our communities online instead of in person.

Our information hotline and email address will continue to operate as normal.

Why we are making changes

The health and safety of our communities and our staff remains our highest priority. We remain committed to sharing project updates and important information about the school project in your area.

Keep in touch

The SINSW website will continue to have up-to-date information about the project in your area. You can also continue to contact us via our community information line and email on the details below.

For more information contact:

School Infrastructure NSW

LCPS Winter Jumper 2020 – Special Order Only

Special order only - our winter options include a warm and soft, embroidered v-neck jumper. This item has been selected as it is ideal for layering under our school jacket for extra warmth, yet easy to take off during the day as the temperature rises. **This item is not kept in stock, a bulk advance order needs to be placed.**

Our V-neck jumper is now available for pre-order and purchase. **WE WILL NOT BE HOLDING STOCK OF THIS ITEM** so if you would like to order the school jumper please come and try on our size samples so that we can do a **BULK SPECIAL ORDER**.

If you are unable to come to the uniform shop on a Tuesday morning or Thursday afternoon, ask your child to attend with this form and the uniform volunteer will help with trying on and writing down the right size.

Orders placed by Monday 6 April 2020 will be available from Monday 4 May 2020.

Orders placed after the **BULK ORDER CUT-OFF DATE** will be **\$58 to cover shipping.**

Details from our supplier:

100% Acrylic Jumper

Features & Benefits:

- Durable and holds shape well
- Low Pill Acrylic which is perfect for temperate climates
- Machine washable
- Superior colour retention
- Reinforced elbows for added longevity
- V-Neck with a raglan sleeve for comfort

DESCRIPTION	PRICE	QTY	SIZE	TOTAL
Dark navy V neck jumper with embroidered logo (girls & boys) Sizes: 6, 8	\$46.00			
Sizes: 10, 12, 14, 16 (Please enquire at the uniform shop for sizes above 16)	\$48.00			
Payment made (date/method)				

Delivery

- I will collect this item from school when ready
 Please send home in my child's school bag

Lake Cathie

Public School

Parents and Citizens

MEETING DETAILS	
Purpose	P & C Meeting and Annual General Meeting
Date and Time	Wednesday 11 February 2020 Opened 6.30pm Closed 8.10 pm
Location	Lake Cathie Public School – Library
Attendance	Attendance: as per attendance book Apologies: as per attendance book <i>Minutes: Linda Barnett</i>
ITEMS	ACTION
Minutes of previous meeting reviewed	Minutes accepted – Lana Smith Seconded – Katy Haste AGM Minutes accepted – Mary-Ann Grant Seconded – Kim McNiff
President's Report	<ul style="list-style-type: none"> Bec received an email from Sue Stevens, Williamson International, regarding a credit application update. This will be forwarded to the school for completion as it relates to our uniform supplier. A school member questioned where the funds from Idle Wilde Eggs sales at the front desk go. Jock informed the donations of \$1 dollar per carton goes directly to school. Just wondering how many families are aware and how we can change this and get more advertising done to support this fundraising for the school. Action: Jock to advertise in school newsletter. I spoke with Michael Whiting regarding the trivia night which is coming along well with donations. Great work as always and thank you for your support. Bec would like to open the discussion on where fundraising from this event will go this year. Kim McNiff proposed that funds go towards filming equipment, additional outdoor seating and robotics.

	<p>Agreed by all present.</p> <ul style="list-style-type: none"> Bec believes there is a need to create a Facebook identity for the P&C. This will be an important tool for the future. We might get more of a response to activities if posts are coming from the P&C group rather than an individual. It would be a separate independent identity. Code of Conduct or management practice to be developed about what can be approved and posted. Action: President appointed at the AGM to investigate. I would just like to finish with a big thank you to the P&C team. A lot of time and effort goes into each job and it is greatly appreciated. And to our regular teaching staff and parents that take time to come to each meeting, thank you for your time and commitment.
<p>Treasurer's Report</p>	<ul style="list-style-type: none"> Bank account balances – \$669.59 main \$7070.66 canteen \$3357.29 savings Total of \$11097.54 All bills have been paid. We can access savings if a big bill is received. Expenditure for swimming carnival representatives \$300. Donations towards swim scheme \$1080. Have tried again to meet with the auditor, without success. Auditor costs about \$900 per year. If we move the canteen management over to the school and we just have fundraising, there would not be a lot of accounting to do. We could go through the accounts at the P&C meeting. Two executive members could monitor expenditure and accounting procedures.
<p>Principal's Report</p>	<p>Jock Garven read out minutes of previous Annual General Meeting. All actions were completed. Motion: Mary-Ann Grant Seconded: Kim McNiff</p> <p>Jock Garven declared all positions vacant. Nominations received:</p> <p>President – Bec Bouldin Self-Nominated – Bec Bouldin Seconded – Sarah Jones Voted in via show of hands.</p> <p>Vice President – Mary-Ann Grant Self Nominated – Mary-Ann Grant Seconded – Lana Smith Voted in via show of hands.</p> <p>Treasurer – Roger Bussell Self Nominated – Roger Bussell Seconded – Katy Haste Voted in via show of hands</p> <p>Assistant Treasurer– No nominations</p> <p>Secretary - Linda Barnett Nominated – Kim McNiff Seconded – Kylie Whiting Voted in via show of hands</p> <p>Congratulations to all nominees</p> <p>General Committee – all other financial members</p> <p>Principal's Report:</p> <ul style="list-style-type: none"> Congratulations to the 2019 committees and volunteers. Congratulations to the P&C team and certainly the Executive for being in their roles. I would like to acknowledge the committees and all the work behind the scenes. Lovely support behind the scenes. Really appreciated.

Student Achievements:

- 6 children supported by P&C to attend swimming competitions. One family to attend the State swimming carnival.
- One student will be attending the state carnival for cricket. Support will be provided.
- There will be a review of support funding in the near future. Currently financial assistance for families travelling to North Coast is \$50 and State level, \$100.
- I attended the pool for the final day of intensive swim program. Believe it is money very well spent. The money covers the additional bus costs.
- Lovely to see the growing tolerance of students with disability and additional support needs. Unbelievably accepted by their peers.
- Lots of things happening with sports. Lots of gala days and clinics. We will continue to apply for grant funding for primary programs. Looking at a K-2 gymnastics program next year. Having great success going out of school for sport programs.
- Creative Arts groups further developing over time – Dance, Choir, Band

Parental Participation:

- Lovely parental participation.
- Parent teacher discussions will be held soon. In the second semester we will trial a child lead parent teacher conference. We will be encouraging kids to take ownership of their learning goals.
- Kinder colour days have been reduced a little this year.
- Currently increasing community volunteers for our reading program.
- We would like to encourage parents to participate in our Easter raffles, Mother and Father's day stalls.

Staff Success:

- Lovely settling into the new year with students. Like all schools we have some school blues issues. Finding once the children come into the school they are settled very quickly.
- We have 13 classes this year.
- Performance and Development Plan accreditation – three have achieved initial accreditation. This is a huge body of work that we insist is achieved with "depth".
- We have a whole school Teacher Professional Learning project that will be ongoing. Deep syllabus outcome and continuum of knowledge, focus on writing, accreditation and teaching standards. Writing and reading are a two year focus leading into mathematics in 2020-2021.
- We are providing leadership opportunities for students and a Peer Support Program.
- Robotics – first Lego League
- HVCS Ceremony of Excellence

Community Spirit:

- We still remain a school that is heavily spoken about. Other schools quite interested in what is going on at Lake Cathie. Word around is that LCPS is a fantastic indication of what a community can achieve – students – families – staff.
- 3 different Ministers have been to the school in 4 visits.

Facilities Update:

- Looking at a home for the uniform outlet in the new build.
- Tomorrow everyone will receive a plan of the school and what will change on the access for busses and cars. A temporary fence and gate to be erected for play times. It will be trialled day by day.

	<ul style="list-style-type: none"> • Huge thank you to Claire Briggs for volunteering to be on the project reference group. Claire has been an outstanding voice for parents and has attended virtually every workshop with the PRG team. Claire has represented the parenting community extremely well. • Council for sporting groups was held here last Monday. Creating design and receiving 3 more options for sporting clubs to comment and make decisions on. Minimum car parking will be 250 car spaces. Time frame potentially at the same time as the build. Looking at including playground equipment for younger children. Hopefully council fields will be completed by the end of 2021. • Stage 1 commences on 16 March and will hopefully be complete by week 8 in term 4. • Stage 2 and 3 will commence in January 2021 and be completed by July/August 2021. <p>Future Directions:</p> <ul style="list-style-type: none"> • The Department of Education has developed state wide, negotiated targets with the directors. We have targets based on Naplan achievement bands which we will work towards over a 3 year period. Growth targets will also be implemented as kids are tracked through. • Attendance targets will be put in place. We will be implementing those targets. • Considerable time has been spent with staff about values reimaged. How do we teach our kids about values? We have gone down the path of mindsets for learning. Specific programs and lesson focuses to introduce our concepts. Trying to engage kids in learning and positive mindsets. Going really well at this stage. • This is the final year of our second whole school planning. Still focussing on our 3 strategic directions. A lot of evaluation towards the end of the year. • Enrolments and staff increasing. • Looking at maintaining our wonderful spirit. <ul style="list-style-type: none"> • Proposal – LCPS to take over management of the Canteen. Having listened to requests from the P&C and parents and considering the current structure of the P&C executive it is proposed that the school take over the management of the school canteen. The Treasurer role currently involves a lot of work relating to the employment of the canteen manager. Rachel and I have done a fair bit of investigative work and it is now proposed that the P&C agree to allow the school to take over the running of the Canteen. This will not take away a revenue stream. Funds currently go to the P&C and are then transferred to the school. We need to ensure the wages are in line with the correct wage structure. The P&C would probably have a liability to finish up long service payment etc. Payment to the canteen manager would include sick leave, tax etc if paid by the school. An operational side benefit would be the streamlining of purchasing for the canteen. Suppliers would be paid immediately. Equipment for the canteen would also be done through the school. The school would maintain the healthy canteen program. Motion: Kim McNiff Seconded: Roger Bussell • Proposal – Susie Storm has suggested the potential of running an informal gathering of parents with toddlers for parents who can't make a 6.30pm P&C meeting. Susie has suggested an afternoon in the library for a chat etc. The P&C agreed this would be a good idea and agreed with the suggestion if Susie Storm would like to coordinate.
<p>Canteen Report</p>	<ul style="list-style-type: none"> • Canteen is going well as indicated by the figures mentioned in the Treasurer report. • Struggling for Thursday volunteers.

	<ul style="list-style-type: none"> • New twisted frozen yogurts are proving very popular. Gone through 11 to 12 boxes already. • Have introduced a birthday bucket. We have received 3 orders for this week. Can order on line or pay at office. • New toasting machine purchased. Invoice to be paid \$75.
Fundraising Information	<ul style="list-style-type: none"> • Discussions regarding the Trivia night have been undertaken. Michael is the driving force behind the donations. Kim McNiff met with Kylie and Michael and ran through what a reduced night would look like. Not wanting to do a scaled down version. There are expectations from parents who have previously attended. • We will look at fine tuning the running of the event. Looking at having the auctions earlier in the night. • Pre-organisation is pretty much under control. On the actual night we are lacking in help and will look at this issue to make the night go a bit smoother. • The running sheet from last year is being revised to minimise disruption to the trivia part of the night and to allow for a better flow with raffles and auctions. • A business letter outlining fundraising goals has been approved for use. • A letter to parents regarding donations to go out in week 8. • Tickets will go on sale week 1 term 2. • A Trivia night poster is currently being designed and will be ready in the next week to start advertising the event. • Donations from businesses have already started coming in. We have two P&C representatives who will approach businesses to avoid doubling up and to provide consistency. • Suggestion to use cash donations to purchase a holiday package "An Aussie Family Getaway" with the possibility of a BIG 4 voucher, woollies and fuel vouchers. • Instead of a coin toss we will be looking at an outside game with a similar prize. • Karin Haleblian suggested a fundraising idea with the new build. There could be the provision for a brick wall where families can purchase a commemorative paver. This has been done at Wauchope Public School. Kim, Karin and Rachel will investigate further. Jock will approach the Courier to advertise and will include asking if prior families would like to be involved. Photos and info package to be put together.
Uniform Report	<ul style="list-style-type: none"> • Lana Smith reported that a review on all pricing has been done in line with pricing the supplier has given us. The jacket has gone up \$8.00. We have been able to maintain most prices. Awaiting a price on tunic dresses. • Winter uniforms – the school purchased a lot of winter uniforms when it started and after 5 years we are only now getting towards the end of the stock. Big W has \$15 dark navy long trousers for boys rather than paying the \$35 for the school one. Lana Smith will try to source a style to replace and inform parents through the newsletter where they can purchase. Jock advised that an update will be done in the newsletter of the uniform policy and expectations by the end of the term. • A note on jumpers will be sent home shortly. If purchased by the agreed time there will be a saving on the cost of the jumper for parents. • Still seeking second hand donations of uniforms for resale.
General Business	<ul style="list-style-type: none"> • No items submitted.
Upcoming Meetings:	Next Meetings: 12 May and 9 June
